

North Hampton Heritage Commission

Minutes - October 5, 2000

In attendance: Jenifer Landman, Bob Southworth, Jane Meneghin, Barbara Hobby, Anna Pike, Lloyd Sullivan

1. September 21st Minutes approved.
2. Finances discussed. Lloyd suggested that he would approach the Conservation Committee for a donation, if mention of their projects could be on the back of the brochure. He also said the Selectmen may help out and asked that Jenny attend the next Selectmen's meeting to update them on the progress.

Citizens Bank Branch Manager, Ted Garside, is unavailable until 10/12. Jenny will call again to status our request for a contribution.

The Hampton Rotary Club has not contacted the Historical Society in response to their 8/29 request for a donation. Jenny left a voice mail message, but he hasn't called.

The LBH Commission has not committed to contributing to the cost of the publication.

We decided to give the newspapers a press release on the status of the brochure and make a pitch for donations. Bob will write it.

The Fuller Foundation was suggested as a source of money.

Bob Southworth said he would speak to LBH about a contribution, also.
3. Brochure Distribution: It was decided that we would not divide the supply of brochure into thirds (North Hampton Historical Society, North Hampton Heritage Commission, Little Boar's Head Commission), but that it would be available at the Town Offices, Library, possibly at Drake's Books.
4. Maps: Susannah's husband will take the maps we provide and will draw them so they all have the same general appearance. Priscilla finished the map, counting all of the lots to make sure the locations were correct. The tour reference numbers have changed, so Anna and Priscilla will renumber and have it ready for the next meeting.
5. North Hill: Anna presented the write-up on the blacksmith shop to be included. Jane Meneghin will edit and e-mail to Jenny.

Jenny and Jane M. sent out 12 permission letters to property owners. We decided that a letter with a postage paid, pre-addressed return postcard for their response would be appreciated more than a registered letter for the first contact. If we don't get the postcards back, we will then follow with a registered (signed confirmation) letter.

We need to select the photos to be used in the brochure, as Priscilla, Anna, and Bob have provided several for many of the locations. We will do it at the next meeting.
6. Town Hall/Depot Photos: Priscilla is gathering the Historical Society photos and will bring them to the next meeting.

7. Little Boar's Head: Susannah will forward the text photos to Jenny by Federal Express, as many of the photos were the property of Bob Southworth and the Historical Society. She will be e-mailing text to us also.
8. Little River: Schreck permission Little River 94 Atlantic Avenue has been sent by registered mail. Anna provided the distance of the walking and windshield tours.
9. Uncompleted tasks: We assigned many of the remaining items to have ready for the next meeting:
 - Cover wording: Jane M.
 - Cover photos: Bob and Jenny
 - Last page credit intro: Jane M.
 - Inside cover warnings, intro: Jenny

SPECIAL MEETING CALLED. NEXT MEETING will be by October 12th, 10:00 at the Library. It was determined that the drop-dead date is approaching too fast. THANKS TO ALL.
